

ZEBEDEE'S LUNCH BOX

Zebedee's Lunch Box based in Laughton, East Sussex is a privately owned catering company specialising in the supply of nutritious, healthy and well balanced meals to nurseries and primary schools in the South East.

We offer an efficient and reliable service offering good quality food, making your life easier and allowing peace of mind and value for money.

Zebedee's meals are transported in temperature controlled containers ensuring your food remains hot until you are ready to serve. Your food will be delivered daily by midday, simply take the lid off and serve.

All of our meals are freshly prepared on the day of delivery and contain only high quality, fresh ingredients. Our food is baked, braised, steamed or boiled, and our menus contain plenty of fruit, vegetables, meat, fish and organic pulses.

Zebedee's provide a healthy and well balanced two course lunch with either a hot or cold pudding, side dish and an optional afternoon tea and kids club tea. We also cater for any dietary, allergy and cultural requirements and can supply our own range of 100% Organic baby food to your nursery.

Our menus operate on a 3 weekly rotation to ensure variety and a

balanced diet. As well as traditional fare, our menus include more inventive dishes which feature on our "Around the World" theme days. We work closely with a Paediatric Dietician when designing our menus, and all of our dishes are analysed using specialist software to ensure they meet the specific nutritional needs of each age group.

Our menus conform to the Caroline Walker Trust's Under 5's guidelines and standards set out by the School Food Trust and the Department for Education & Skills. Our menus are also approved by a Local Council and comply with current Government guidelines.

Zebedee's not only offer permanent contracts but if required for any reason such as staff holidays or sickness we can offer a temporary service to cover all your needs.

If you would like further information, or to arrange a taster session please contact us at
